ONLY CARPET ONE HAS YOU TOTALLY COVERED.

1 EXPERTISE

We specialize in flooring. It's what we know better than anyone. And we're so sure of our brands and installation expertise that we offer The Beautiful Guarantee® exclusively – if you're not 100% satisfied with your new floor, we'll replace it for free.

2 AFFORDABLE PRICING

We have more than 1,000 stores worldwide, yet our focus is local. Our independent retailers join together and create incredible bargaining power to ensure the lowest prices on flooring across every brand and style – then pass those savings on to each locally owned store.

3 SIMPLY BETTER SHOPPING

You'll find many options in our vast selection of exclusive brands. To make deciding even easier, our SelectAFloor™ system uses a universal warranty scale to take the guesswork out of comparing floors. So you'll feel great about finding the right flooring for your lifestyle.
